

Academic Parent Teacher Teams

A P T T

West Prep Academy is pleased with our decision to implement Academic Parent-Teacher Teams (APTT) as an additional approach to supporting all students in reaching their full academic potential. The goal of the APTT model is to promote **family-teacher collaboration** to drive student achievement.

Let's come together to support our scholars! At APTT you will...

- Take a closer look at your student's test scores and performance data.
- Learn strategies and techniques for helping your student at home.
